

Lull Telehandler Part

Lull Telehandler Part - Lull telehandlers have been supplying precision load placement since nineteen fifty nine. Whether the work entails landing loads on scaffoldings, transferring loads or positioning heavy steel, utilizing a Lull telehandler will really help make the work go easier and faster. These units are available together with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull could supply 80 inches of boom travel for precision placement functionality. There are likewise a lot of optional Lull accessories for their telehandlers so as to help finish whatever task.
