

Advance-Nilfisk Parts

Advance-Nilfisk Part - Think about how tedious it would really be to tidy up your own house right after throwing a big party, with out help from cleaning equipment. Back in the day, the time carpets and upholstery had the dust beat out of them by hand; brooms, cleaning cloths and brushes were the best cleaning materials back then.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Establishing the company in 1906, he began to produce motors so as to drive coffee grinders, drills, fans and machine tools. Mr. Fisker's vision from the beginning was to own a worldwide company selling merchandise worldwide.

The Nilfisk C1 was a tremendous breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by a single person. This creation came in a time where other cleaning machines were massive and needed 4 or more operators, hence, the Nilfisk C1 transformed everything and developed the way we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning machines provide an excellent solution to an ongoing crisis; things get filthy and must be cleaned frequently, without a lot of effort.

Little by little, the business Nilfisk-Advance grew through the years. In the early nineteen eighties the company grew fast when the business became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance ahead within the business, aspiring to be an active international player in manufacturing professional cleaning machines. Nilfisk-Advance is currently found in all parts of the globe by steadily acquiring lots of smaller companies so as to develop their product portfolio and presence in new markets. They are proud to present a variety of cleaning solutions to fit each requirement.
