

Concrete Hopper

Concrete Hoppers - This particular accessory is a self-dumping hopper which automatically sets off to dump as bumper release touches the side of a dumpster. Once dumping is finished, the hopper goes back to a locked and upright position. This piece of machinery is also existing along with a cable which allows operation from the seat of the lift truck so as to have the alternative of manually dumping the hopper. There is a locking chain provided to lock the hopper to the tine truck. This particular product is made with reliable and consistent robotic welds for maximum strength. The lift truck dumping hopper even has a blue powder coat finish so as to maintain durability.
